## Revision History

Revision	Author	Scope
April 2016	DKRZ Data Management	public release

If you deposit in the DKRZ Long Term Archive, you agree to these terms and conditions unless any deviating agreement is made.

## Ownership

By agreeing to the terms outlined here, I assert that I am either the sole rights-holder or I have received permission from all right-holders to deposit this dataset in DKRZ-LTA thus, subject to any access permissions I have specified prior to deposition for this dataset, making it openly available to all DKRZ-LTA users.

By depositing this dataset in DKRZ-LTA, I do not transfer any ownership. I retain the right to deposit the item elsewhere in its present or future versions. I retain all my moral rights in this work including the right to be acknowledged.

I warrant that the content of my deposited dataset:

- does not breach any law
- does not infringe the copyright of anyone else
- if it contains material that is copyright of a third-party, I have secured permission from the rights-holder or his representative to include such material in my dataset
- any third-party material for which I have not secured the necessary permission have been deleted from my dataset before deposit
- if the dataset has been sponsored or subsidized by any institution or organization other than my employer, I have fulfilled all obligations to that institution or organization regarding publication

I do not guarantee that the dataset is accurate. I indemnify DKRZ-LTA against any legal action arising from the content of my dataset.

## Permissions granted to the repository

I assert that DKRZ-LTA

- May distribute copies of my dataset.
- May copy or rearrange my dataset to ensure its future preservation and accessibility.
- May keep multiple copies of my dataset for backup and security reasons.
- May incorporate metadata into other catalogues for my dataset.
